

PUBLIC SCOPING MEETING

Your Input is Needed on the Proposed Interstate 10 Outside Widening

Thursday, August 17, 2006
Desert Edge High School Cafeteria
15778 West Yuma Road
Goodyear, Arizona 85338
6 p.m. – 8 p.m.
Presentation at 6:15 p.m.

The Arizona Department of Transportation (ADOT), in conjunction with the Federal Highway Administration, is inviting the public to attend a scoping meeting to learn more about the planned widening of Interstate 10 (I-10) from east of Sarival Avenue to Loop 101. The purpose of this meeting is to provide an overview of the project and to gather public input to assist in the identification of issues and concerns. In addition, information about other I-10 improvements in the West Valley will be available. The meeting will be in an open house format with a brief presentation at 6:15 p.m.

The widening of I-10 is one of several projects proposed to improve regional traffic flow in the West Valley following the passage of Proposition 400. The funding for the first portion of this project was accelerated in April 2006, with the approval of the Maricopa Association of Governments' Regional Council, which consists of all Valley mayors.

For additional technical and project information or to submit comments in writing, please contact Michael Book, HDR Engineering, Inc., 3200 East Camelback Road, Ste. 350, Phoenix, AZ 85018, phone: (602) 288-9905, FAX: (602) 522-7707, or e-mail: michael.book@hdrinc.com. Written comments should be submitted by September 25, 2006.

Americans with Disabilities Act: Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Michael Book at 602-288-9905. Requests should be made as early as possible to allow time to arrange the accommodation. This notice can be obtained in alternative formats by contacting Michael Book.
